CLASS DESCRIPTIONS

CORE STRENGTH: Class designed to build and strengthen your core muscle group while improving posture. Participants will increase flexibility and improve balance using stretching techniques and stability exercises. A variety of equipment will be used. Suitable for all fitness levels.

FUNCTIONAL FITNESS: This class emphasizes dynamic movement patterns and athletic drills to help improve mobility, stability and movement integration.

INTRO TO LATIN DANCING:** Walk in with two left feet and walk out dancing on beat and learning how to develop a musical ear with dancing. This class is great for beginners and for those getting back into the dancing floor.

MATURE AUDIENCES: A low impact workout for all fitness levels that will make you sweat. (FF)

MOBILITY & STRETCH: This 30-minute class incorporates movements to help improve your mobility, followed by stretching techniques using a variety of tools to help participants recover from their workouts. All fitness levels are welcome.

MULTI-LEVEL YOGA: Come enjoy this multidimensional yoga class. Whether you are new to yoga or an experienced practitioner, everyone will benefit. Blending the physical yoga poses with conscious breath work will help you gain flexibility, strength and inner peace. (FF)

POWER CONDITIONING: An exciting strength training class with great music designed to focus on total body strength and improving cardio conditioning for all fitness levels. This class incorporates rowing, sprinting, jumping, tire flipping, weightlifting, kettlebells, barbells, dumbbells, pull-up bars, TRX and medicine balls. Universal scalability makes this class the perfect application for any committed individual, regardless of experience.

PRT PREP: A class designed to help you excel on your PRT test. Nutritional guidance will be provided before you start. Get ahead of the game!

SPIN CYCLE: A fast-paced workout that will leave you wanting to come back for more. We use state-of-the-art spinning bikes. Geared for all fitness levels. (FF)

STRENGTH/ENDURANCE HOUR: This class is designed to challenge you to get outside of your comfort zone and to target all major muscle groups. It combines compound and unilateral movements on all three planes of motion. All fitness levels are welcome.

TOTAL BODY STRENGTH: Workout that targets the full body with movements that are designed to keep up with tempo of music, helping you achieve a fantastic exercise session.

TRX CIRCUIT: A challenging class designed to help you move better. It incorporates different foundational movements such as: plank, pull, hinge, push, rotation, squat, and lunge. This class is tailored to all fitness levels. Come and earn your progression!

YOGA: Class is designed to incorporate various pose sequences, breathing, deep relaxation and mindfulness techniques to increase your flexibility, balance and endurance as well as strengthen your mind-body connection. Gentle, yet powerful, yoga practice for beginners as well as seasoned practitioners.

ZUMBA: An exciting class full of Latin and exotic music, mixing body sculpting movements and easy-to-follow dance steps. No dance experience is necessary. (FF)
