# Welcome Youth!

Welcome to JEB Little Creek-Fort Story. This booklet is a guide to help you learn about the surrounding area and to give you an insight into the youth programs we offer.

The Youth Sponsorship Program is designed to assist young people in making the transition from one installation to another successfully. It is our goal to help incoming youth adjust and get connected with a youth sponsor at the installation. Youth sponsors will provide information about area schools, attractions and the surrounding community. This program is created by and for youth with youth involvement in every aspect of the program.

Please take a moment to look through the booklet and call for more information. Our pre-teens and teens are also available to assist in any way. If you would like more information, please contact your School Liaison Officer, Youth Director or FFSC Relocation Manager.
