Take advantage of a **12-week, NO-COST** construction industry training, certification and job placement through a new program in the Hampton Roads, VA area!

Program Overview

HBI, a national leader for career training in the building industry, is providing SkillBridge-approved training, certification and placement in the construction industry.

Participants learn all aspects of the carpentry trade. Other trades such as electrical, painting and plumbing may also be added in the future. Program graduates earn an industry-recognized and validated pre-apprenticeship training certificate.

Each participant in the HBI program is:

- **Connected** with professional and industry-credentialed instructors
- Screened and **Assessed** to develop an individualized training plan
- **Trained** in the multiplicity of jobs and careers in the industry
- **Certified** to perform in a high-growth construction career
- Prepared and ready to be **Placed** in quality construction jobs

Prepare yourself for the next step! Construction employers need qualified workers at all levels of the industry, including:
semi-skilled craft workers, apprentices, managers and subcontractors.
Jobs are available!
