NAVY REGION MID-ATLANTIC · VIRTUAL RETIREE SUMMIT

YOUR NEXT MISSION

Building a High-Growth Career in the 757

Sultan Camp · Navy Veteran · Center for Military & Family Advancement

You earned the skills. Let's point them at the right target.

For veterans, transitioning service members, military spouses, and dependents ready for what's next in Hampton Roads.

WHO THIS IS FOR

Transition is a mission.

Every mission needs a plan.

THE LANDSCAPE · THE CONNECTION · THE VALUE · THE NETWORK

THE PLAN

01

THE LANDSCAPE

Know the terrain before you move.

450+

companies across four booming sectors — and the 757 runs on exactly the skills you already have.

MARITIME & SHIPBUILDING

Welders, pipefitters, electricians, machinists, engineers, project managers

ADVANCED MANUFACTURING

CNC machinists, industrial maintenance, QA/quality, logistics & supply

CYBER / IT

Security & SOC analysts, network & systems admins, cloud, software

HEALTHCARE

Nurses, medical & imaging techs, behavioral health, health admin

THE LANDSCAPE · YOU ALREADY FIT

Your service is a head start.

Security clearance	→	Cyber / IT — a shortcut past the longest barrier to entry
Shipboard & systems work	→	Maritime, shipyards, advanced manufacturing
Logistics & operations	→	Supply chain, program & project management
Corpsman / medic	→	Healthcare — nursing, techs, behavioral health

02

THE CONNECTION

Where the base hands off, we pick up.

PUT YOUR TRAINING TO WORK

FFSC gave you the training.

We're where you run the mission.

WHAT FFSC TAUGHT YOU		WHERE YOU PUT IT TO WORK
Translate your experience	→	In front of the 757 employer who needs exactly that
A sharp résumé	→	Sent to the right hiring manager — with our introduction
Interview-ready	→	Into interviews that actually count
The job-search playbook	→	Run on a network that already knows the employers

THE CONNECTION · WALK IN ANY WEEK, NO BASE ACCESS

Two Centers, built for you.

THE CONNECTION · THREE PATHWAYS

More than a job board.

EMPLOYMENT

Standing employer days and direct introductions to hiring managers who already know us.

EDUCATION

SkillBridge and credentials mapped to the roles the 757 is hiring for right now.

ENTREPRENEURSHIP

Start or grow a business with the Veterans Business Outreach Center.

Plus benefits help on-site: VA claims with an accredited VSO and peer support.

03

THE VALUE

Make employers see what you're worth.

THE VALUE · KNOW WHAT THE 757 IS BUYING

Walk in already knowing what they want.

- We know which local employers are hiring, for what, and what it pays
- We tell you what a 757 hiring manager values — before you ever apply
- Then we open the door directly, employer to candidate — not through a portal

Your base prepares you. We make sure the right employer is already expecting you.

The Commonwealth is in your corner.

- Virginia Dept. of Veterans Services (VDVS) — claims, benefits, and VETE employment help
- Virginia Values Veterans (V3) — state-certified employers committed to hiring veterans
- Education benefits for you and your family, including VMSDEP for dependents
- Your federal VA benefits — healthcare, GI Bill, home loan, and more

Confirm current eligibility and details with VDVS — programs and terms change.

04

THE NETWORK

Turn goodwill into a job.

You'll hear it a hundred times:

“Let me know how I can help.”

Goodwill is not a job offer. Your mission is to convert it.

Go to people.

Not portals.

A cold application competes with hundreds. A warm introduction to the hiring manager is a different game entirely.
