Museum Campus Pass	\$ 16.75	\$ 18.80

Purchase your timed tickets in advance to secure your desired entry or movie time. Housed in 5 buildings, the museum tells the story of the American experience in the war that changed the world -- why it was fought, how it was won and what it means today. The Louisiana Memorial Parvillion features the "D-Day Invasion of Normandy" exhibit and an exhibit and an exhibit telling the story of the war experienced on the Home Front. The "Campaigns of Courage" area features the "Road to Tokyo" exhibit, which retraces the grueling trail from Pearl Harbor to Tokyo. It also houses the "Road to Berlin" exhibit, recreating actual battle settings and villages as America campaigned to defeat the Axis powers. A two-hour guided tour of these two exhibits, led by an expert docent, is also available to book as an option. The U.S. Freedom Pavilion features actual WW2 airplanes restored to their wartime glory, including the B-17E Flying Fortress, as well as wartime tanks and trucks. Liberation Pavilion, which opens in 2022, will explore the closing months of the war and immediate postwar years, concluding with an explanation of links to our lives today. Museum admission is date specific and only good for the ticketed date. Must present ticket for entry.</i>
